Spray Skai for vinyl Skai		55

Stainless steel : AISI 304, DIN 1.4301

IMPORTANT:

Extra anti-corrosion treatment of stainless steel: When placing furniture in location close to **sea shore** or **covered chlorinated swimming pools** this treatment is recommended. The high level of salt reduces the resistance to corrosion of stainless steel. Disregard of this recommendation voids the guarantee. **Extra anti-corrosion treatment supplement is +10%. (Only needed for brushed stainless steel version)**
This treatment is not needed for powdercoated stainless steel (Starling collection)

WARRANTY 5 YEARS
