FABRICS

CUSHION INFORMATION

- Cushion fillings containing quick dry foam are clearly marked within the product specifications. Other cushion fillings contain polyester fibre (back cushions or deco cushions) or High Resilience foam (seat cushions). All cushions have a removable cover except if marked otherwise.
- For fire retardant cushions please contact us via uk@vincentsheppard.com.
- Cushion prices depend on the cushion fabric category.
- Available fabrics per category: see on the following page. Prices of cushions which combine fabrics of different categories depend on the price of the main cushion fabric category (e.g.: a seat cushion in cat. C fabric Almond with piping in cat. B fabric Carbon Beige is priced as a cat. C cushion; a seat cushion in cat. B fabric London stone with piping in cat. G fabric Kiwi on the other hand is priced as a cat. B cushion).

CAT. COM CUSHIONS

Item codes starting with CE or QE

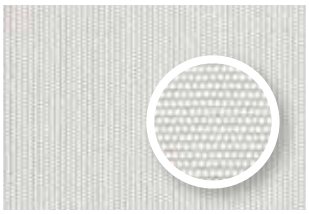

Cushions with fabric delivered by the customer. The amount of fabric needed to make a COM cushion is marked in this pricelist. The fabric usage is calculated for a plain fabric with 140 cm width. Please clearly mark the fabric with the order confirmation number. Please contact our sales department for the correct fabric usage.

PROTECTIVE COVER PC022 — € 275

In order to protect your furniture and keep maintenance minimal, we have developed special protective covers. Vincent Sheppard's protective covers are tailored to fit perfectly over their corresponding products and feature elastic straps for secure coverage.

The covers are made of 100% polyurethane and have welded, not stiched seams. Consequently, the covers are 100% waterproof.

Clean your covers with a solution of warm water and mild soap. Allow them to air dry.

Should you wish to protect your teak furniture with our protective covers, we recommend using them only on dry teak furniture. Please do not use the protective covers on wet teak furniture to avoid mould.

MATTEO DINING TABLE BLACK 285X100 - EDGARD DINING CHAIR STEEL A BASE BLACK - LIGHT MY TABLE

PROTECTIVE COVERS*

In order to protect your furniture and keep maintenance minimal, we have developed special protective covers.
Vincent Sheppard's protective covers are tailored to fit perfectly over their corresponding products and feature elastic straps for secure coverage.

The covers are made of 100% polyurethane and have welded, not stitched seams. Consequently, the covers are 100% waterproof. Because the fabric is breathable, it prevents mould and mildew forming on your furniture.

Clean your covers with a solution of warm water and mild soap. Allow them to air dry.

Make sure your furniture and cushions are dry before covering them!
