

A wide-angle photograph of a rural landscape in Tuscany, Italy. The foreground is dominated by rolling hills covered in green vegetation and olive trees. A road lined with tall, thin cypress trees leads from the bottom left towards a traditional stone villa with a tiled roof. The middle ground shows more hills and fields, with a prominent green hill in the center. The background features distant hills under a clear sky.

MISTRAL RIBBON SWEEP

Sculptural elegance and easy comfort to the outdoors. The Mistral dining table pairs a hand-finished white cement top, delicately speckled by embedded stones, with a sturdy central base for a welcoming, tactile presence.

Ribbon and Sweep feature a light, transparent profile: a durable aluminium frame and soft, handwoven rope seat, a supportive rounded back, and a weather-resistant, stackable design. Minimalist lines blend effortlessly into any setting.

Designed by Studio Segers.
